Mr. Calvin Humphrey
Permanent Select Committee on Intelligence
House of Representatives
Washington, D.C. 20515

Dear Calvin:

Attached herewith are the statistics on Career Trainees (CT's) which you asked the Chief, Career Trainee Division, to provide during the Recruiter's Conference the week of 22 June. Chart I describes the goals for CT recruitment established by the Deputy Directors in July 1984 and actual CT's processed against those goals. Chart II provides data on CT recruitment for FY 1980 thru FY 1986. These figures show external hires and those CT's that were sponsored from internal resources.

We anticipate that our CT recruitment goals for FY 1988 will not change appreciably from those of the past three years. However, FY 1989 should see a decrease in the requirements as we attain overall Agency ceiling levels. I hope this data is helpful. Please let me know if you need anything further.

Sincerely,

Hugh E. Price
Director of Personnel
